DETAILED ACTION

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1, 4-11, 13, 16-19, 29-32, 60-68, 70, and 73-80 are rejected under 35 U.S.C. 103(a) as being unpatentable over Walker in view of Fisher 8535896 and Sheth US20031/10032170.

The applicants argues that each of the independent claims recites a specific condition on providing bid data: whether a "second bidder has placed at least one bid."

The applicant challenged the examiner taking official notice as to this specific condition as well as to private auctions. The Fisher supports this specific condition by teaching of determining, using a processor, whether a competing second bidder meets a first condition for receiving the bid data, wherein the first condition comprises a condition that the competing second bidder has placed at least one bid; and providing the bid data to the competing second bidder. See column 6, lines 46 -57, while Sheth teaches of private auctions (See figure 27).

It would have been obvious for one skilled in the art at the time to have added this feature as motivated by the need to encourage the well know parameter of increasing bidding volume.

No additional arguments have been presented by the applicant.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing

date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
